6TH GRADERS HAVE A BLAST AT ASTROCAMP!

Our 6th-grade students had a blast at AstroCamp in Idyllwild! They enjoyed 3 days of everything science! Students climbed the ropes course, built/launched rockets, built windmills, baked cookies in a solar oven, and learned about lights, lasers, electricity, magnetism, astronomy, and MORE! They loved all the hands-on activities, cool science experiments, and class bonding time!

SAM SPOTLIGHT

DISCIPLES OF THE MONTH

Congratulations to our January Disciples of the Month! This award is given to one student from each grade who exemplifies SAM's school-wide learning expectation for the second trimester: **Students aspire to be life-long learners.**
