7TH AND 8TH GRADERS ATTEND LEADERSHIP WORKSHOP

Students in 7th and 8th grade attended Middle School Student Leadership Day, a conference of Catholic school students facilitated by The Association of Catholic Student Councils (TACSC), a national Catholic youth training and development organization.

This one-day workshop provided valuable leadership lessons through fun and hands-on training, activities, and experiences. Comprised of three modules: "Think," "Practice," and "Do," Student Leadership Day allowed students to explore important leadership topics including goal-setting, creativity, organization, teamwork and Christian service.
