

### Daisy Meeting Recap

We have been busy these last two meetings. The girls made a "Comparing the Caring" chart. In it we discussed the many different ways we care for animals. They made Animal Riddle Poems. Made post cards for someone far (please help your child to address and mail this). Painted Red Robins for their Red Robin Presentations. Made beautiful snowflake decorations for the Father Daughter Dance (thank you Daisies). We'd like to thank Mrs. Silvestri and Danica for the beautiful muffins! The girls also had fun, taste testing yogurt (thank you Mrs. DyReyes and Mia). They learned that it doesn't matter what the package looks like, but it's the taste that matters most. They really enjoyed learning how to draw from Mrs. Pineda (Thank you Corina!). We MUST have her back again!!

### Visit to the Orange County Animal Shelter

Daisies had an informative tour of the OC Animal Shelter. Along with falling in love with every dog, cat and bunny they saw, they learned why it is important to consider adopting a pet. And with the look of bewilderment in their eyes, they learned it is most important to spay and neuter pets (I was surprised no hands went up to ask what that means). They all would have loved to bring home a souvenir!
