PARISH SCHOOL

7TH GRADERS EXPLORE CATALINA ISLAND WITH EDUCATIONAL EXPEDITION

Students participated in an in-depth, hands-on study of Catalina's unique flora, fauna, and history with a wide range of activities including: hiking, snorkeling, kayaking, dissecting squid, analyzing creatures under the microscope, exploring tide pools, and much more. There was plenty of time for fun and class fellowship as well, with basketball, foosball, and s'mores around the campfire, to name a few.

Throughout all the activities, our SAM students were always eager to try new things and learn from the amazing instructors.

“ IT WAS A WONDERFUL TRIP WITH LIFE-LONG MEMORIES! ”

The Mission of St. Angela Merici Parish Catholic School is to proclaim the Gospel, celebrate through worship, build community, serve others and achieve academic excellence through the discovery of each student's gifts and talents.
