PARISH SCHOOL

CATHOLIC SCHOOL CONNECTIONS

Fourth graders connected with their peers at Saint Bernard Catholic School in Green Bay, Wisconsin via video conference. The students shared interesting facts about their respective states and compared the weather in their hometowns. They also came together in an interstate prayer.

TK and kindergarten students had a fun and festive winter celebration with balloon games and hot cocoa. Each month, these classes come together for a fun activity to build friendships, create memories, and celebrate their early childhood.
