CELEBRATING EARTH DAY

SAM students celebrated Earth Day and thanked God for His beautiful creation! Students dressed in blue and green and completed creative classroom projects to promote caring for our planet. TK and kindergarten students had a visit from a "Recycling Magician" who shared the magic of recycling, such as turning old water bottles in t-shirts. Our Early Childhood classes also collected cans and bottles to raise funds for an end-of-the-year s'mores party!

SAM SPOTLIGHT

MRS. GRASKO

Meet Mrs. Grasko, SAM's amazing and creative STEM (Science, Technology, Engineering, Mathematics) teacher. Mrs. Grasko has been a member of the SAM faculty since 2003 and has also taught PE, 3rd grade, and 5th grade.

Mrs. Grasko graduated from CSU Fullerton and earned her Master's in Education from Azusa Pacific University. Her fun lessons help students learn to problem solve, work as a team, and think outside the box.

Thanks for all you do, Mrs. Grasko!
